THIS IS OUR ANNUAL NOVEMBER OFFERING.

Last year we offered our customers the first buying opportunity at profit sharing prices that they had ever had at a reasonable time of the year when they were **Needing Merchandise**. Any store can and is more than glad to sell goods at any price in January or February after the season is over and you don't need the goods. We can, by the benefit of unusual buying power offer you new merchandise at prices sharing profits with you at the beginning of the season when the goods are worth even the full value.
