and it is so appropriate, too, that the store
front and show window which is counceded by
all to be the most up-to date, the most attractive and
of the highest quality of any windows in one city
is used to display merchandise of the same quality.

THE MARBLE, THE BRONZE SETTINGS, the oak back-ground and woodwork and all the varnishes are the best that money can buy, and all agree that they pay for themselves in the effect they create.

The STILL MORE PLEASING IS THE FACT that every bit of the lumber we boucht in Carlisle; the tile was bought in Carlisle; the hardware was bought in Carlisle; the concrete was bought in Carlisle; all the varishes were bought in Carlisle; all they carlisle all they are sufficiently of the carlisle dealers and every fick of work was done by Carlisle workmen.

STOP AND THINK OF IT. NOT A THING that is handled by Carlisle merchants was bought outside of Carlisle, and every workman on the job was one of our own citizens. Now say that Carlisle can't produce the best to be had!
