WHEN SHE TRIES TANLAC

Mrs. Emma Heale Says Relief Has An Agreeable Surprise To Her

Louisville, Ky., Oct. 27. Mrs. Emma Heale of 1249 Kentucky street, Louisville, declared yesterday that she had little faith in Tanlac when she began taking it, but after a few doses she noted a remarkable change in her condition.

"I had suffered for years with kidney troubles and rheumatism," she said recently. "At times the pain was so bad I could hardly stand it. I had no appetite and had a great deal of sleep. My friends began alarmed about me. My nerves were in a dreadful state and I had no strength."

"I decided to try Tanlac because I had heard so many people say it had helped them. I am frank to say I didn't expect it to do me much good, but in that I was gravely surprised. My friends began alarmed about me. My nerves were in a dreadful state and I had no strength."

WORK CONVICTS ON ROADS

Frankfort, Ky., Oct. 27. A Democratic Congressman from this state yesterday announced that he had introduced a bill to abolish the contract system of working the prisoners on the roads.

"I had suffered for years with kidney troubles and rheumatism," she said recently. "At times the pain was so bad I could hardly stand it. I had no appetite and had a great deal of sleep. My friends began alarmed about me. My nerves were in a dreadful state and I had no strength."
