

FRANKFURT WILL ALSO CO-OPERATE

EXPECT TO SAVE LARGE AMOUNT

Frankfurt will co-operate in the investigation of the activities of the German government in the United States, according to a statement issued by the city's mayor, Carl Winter.

The statement was issued in response to a request from the United States government for information regarding the activities of the German government in the United States.

Mayor Winter said that the city of Frankfurt would do its utmost to assist in the investigation of the activities of the German government in the United States.

The statement was issued in response to a request from the United States government for information regarding the activities of the German government in the United States.
