

BOYS AND GIRLS.

Do you know that it will only be eight weeks until that dandy little Shetland Pony and Cart is given to some lucky girl or boy?

Have you been hunting for boys? If so, you had better take our advice and get busy right away.

Now, for every dollar you bring to The Mercury office on subscription, you get 500 votes. Can you think of any faster way to get them than this?

Last week one hunting contented went out for about fifteen minutes and returned with \$6. Two men paid their subscriptions for three years. We gave him constant 3,000 votes. \$30 worth at the rate of 100 for every dollar. Do you see?

There is only one contest now working on subscriptions for The Mercury. If you don't look out, she will be far ahead and you can't catch her. If you come to the office we will give you a list of names of subscribers who are behind on their subscriptions and you can collect from them.

Get busy now. Get out Court Day and get new subscribers and get old subscribers to renew.

Suppose you collect \$100. for that. You would be 50,000 votes. Time is flying. You'd better start now!
