Automobile Repair by an Experienced Workman

We were extremely fortunate in securing the services of Mr. MONTAGUE, the best fender of the Lexington Garage & Body Works. Mr. MONTAGUE is possibly the highest priced mechanic who has ever labored in Carlisle; and when we say this we mean to be true.
With the services of an experienced mechanic we can give the patronage of a man who is well known as an expert engine or farm machinery overhauler. We KNOW the work will be done right and will be satisfactory. If others have failed to do your work properly, bring it to us.
Our New Hupp has arrived and is in operation for \$1,500. (Remember we have agency for the moderate price car - the Maxwell at \$805)
