Resolutions

Whereas, God in his infinite wisdom has seen proper to call from our midst our beloved sister, Sarah Jane Bramblett, who has been a faithful member of the Methodist Episcopal church for many years, and we have witnessed in the life of our sister the beauty of a Christian character, and having no desire to call her back to earth again, therefore be it

Resolved, That we extend to the bereaved husband and children our heartfelt sympathy in the loss of a loving wife and mother, and be it further

Resolved, That a copy of these resolutions be sent to the family of the deceased, a copy be spread on the records of the church, and that they be published in the Carlisle Mercury.

12,000,000 A Year

It is estimated that 12,000,000 automobiles will be manufactured in the United States during the year 1916. Despite the efforts of the Ford factory to keep up with the demand, it is estimated that the Ford factory will turn out 600,000 cars during the year 1916.

Probable expenditures for the year 1916 by the Louisville Automobile Club, according to the Motorcycle, Motor Boating and Automobile Journal, will be as follows:

Roadwork ..... $ 50,000
Signs 10,000
Patrol 10,000
Legislation 5,000
Entertainment 5,000
Miscellaneous 5,000
Total $85,000

However, that amount will be increased by the fact that they have made a net profit of $15,000 during the year 1915, and that the membership has increased from 1,200 to 2,000.
