

Hog Cholera Causes Huge Loss

Here is a sound talk to our farm readers about eradicating the disease—the government is making a noteworthy effort to help persons who use scientific methods.

THE HISTORY of hog cholera has been written in the blood of the American hog. It is a disease which has caused a loss of \$100,000,000 in the United States in the past few years. It is a disease which has caused a loss of \$100,000,000 in the United States in the past few years. It is a disease which has caused a loss of \$100,000,000 in the United States in the past few years.

UNDER FIRE

By RICHARD PARKER. Based on the drama of Roi Cooper Megrue, Author of "Under Cover" and Co-author of "It Pays to Advertise". Illustrations by Frank Parker.

From the first chapter to the last, "Under Fire" fairly teems with action. There is a beautiful woman who marries a German spy, believing him to be French. There is a handsome Irish secret service man for love of whom and in devotion to her country the beautiful woman becomes a spy within the German lines.

OUR NEW SERIAL

There is that thrilling first ride of German soldiers through unsuspecting Belgium as seen by a quick-witted and exceedingly humorous American newspaper correspondent.

And there are quick actions, heart-gripping situations, a deep love interest, and one climax after another to hold your interest and make you watch for each succeeding installment. "Under Fire" is without a doubt one of the best and most entrancing of the many stories written based on the great struggle in Europe.

Watch for the Issue with the First Installment! Irvin S. Cobb, the famous war correspondent says: "UNDER FIRE is the real thing—I know, because I have seen the real thing."
