ITALIANS TAKE CITY

TROOPS UNDER GEN. CADORNA CAPTURE CORFÙ FROM THE AUSTRILIANS

LOSS CAPTURED BY VIENNA

Corfu, Italy, June 20.—The Italian troops under Gen. Cadorna have captured Corfu from the Austrians. The capture of Corfu is a significant victory for the Italians, as it is a strategic location in the Adriatic Sea. The Austrians had been occupying Corfu since the outbreak of the war. The Italian troops entered Corfu on June 20 and captured the city after a brief battle. The Austrians were forced to evacuate the city and retreat to the mainland.

The remedy is safe and effective, and it has been used successfully by many people who are looking for a natural way to manage their asthma.

ANTISEPTIC POWDER

For Disinfecting Surfaces and Preventing Infection

Antiseptic powder is a powerful disinfectant that is used to clean and sanitize surfaces. The powder is made from a combination of natural and synthetic ingredients, and it is designed to kill bacteria and other microorganisms. The powder is easy to use and is effective against a wide range of pathogens. It is a valuable tool for maintaining hygiene and preventing the spread of infection in various settings, including homes, schools, and healthcare facilities.

WHEAT CROP IS BADLY DAMAGED

EXCESSIVE DRY WEATHER DROPS YIELDS

The wheat crop in the region is badly damaged due to excessive dry weather. The lack of rain has caused the wheat plants to wither and die, leading to a significant reduction in yields. The dry weather has also caused the soil to become hard and cracked, making it difficult for the wheat plants to grow. The situation is a major concern for farmers and the community, as it could lead to a shortage of wheat and a rise in prices. Efforts are being made to provide relief to the affected farmers and to improve the water supply in the region.

NINE STATES TO AGREE

On the Proposed Federal Farm Loan Act

Nine states have agreed to support the proposed Federal Farm Loan Act. The states are: California, Colorado, Idaho, Kansas, Montana, Nebraska, Oklahoma, South Dakota, and Utah. The agreement is a significant step towards the implementation of the act, as it shows the support of the agricultural states. The act is designed to provide farmers with access to credit and to improve the financial stability of the agricultural sector. The implementation of the act is expected to have a positive impact on the agricultural industry and on the rural economy.

ASSISTS ARE REPORTED

On the Proposed Federal Farm Loan Act

Assists are reported on the proposed Federal Farm Loan Act. The assists are provided to farmers who are in need of financial assistance. The assists are in the form of loans and grants, and they are designed to help farmers cover their operating expenses and to improve their financial situation. The assists are a key component of the federal government's efforts to support the agricultural industry and to promote rural development. They are a valuable resource for farmers who are facing financial difficulties, and they are expected to have a positive impact on the agricultural sector.

BERRY'S PRIDE
