A Letter to Friends

Harness Just Arrived
I can save you from 25 to 40 cents on the dollar on harness and collars. My new stock just arrived. I bought it six months ago. Now is the time to buy. Come in now and get your needs in harness as long as in this order late, and save money.
I also do Harness Repairing, Fuggy and Auto Trimming and Saddle Work. I put in the best glass that money can buy in your auto curtains. Why not let me put on one of those storm fronts on your windshield. Bring in your auto and let me stop that doctor bill. All work done by learned mechanics and all work guaranteed to be done in fricless workmanship in every way. Yours,

JOHN J. ARCHDEACON

At this Season of Glad Tidings and Good Will we desire to extend our sincere thanks to all of our friends and fellow citizens for the many proofs of their kindness and helpfulness during the year now closing, cordially bespeaking for them a successful and Happy New Year.
