SHUN THE PILL HABIT, HE SAYS

Louisville Salesman Offers Excellent Advice To Those Who Are Affected

"Don't allow yourself to become constipated," is the advice of Mr. W. R. Nunnelley, a salesman, who lives at 105 W. Chestnut St., Louisville.

"I suffered with constipation and stomach trouble for years," said Mr. Nunnelley. "It broke me down constitutionally in every way. It is needless to say that I consulted several physicians but got no permanent relief. I was advised to try Tanlac and I want to say that I find it the most wonderful remedy on earth. I am free from constipation and my general health is much improved. I can eat and sleep, am free from pain and Tanlac was my doctor.

"Yes," said the Tanlac Man, constipation is a very dangerous condition and one that is neglected by the American public. There are many remedies upon the market which produce activity of the bowels and liver, but the danger of contracting the pill habit is that the effects of the remedy soon wear off and the bowels are in worse condition that they would have been if left alone.

The Tanlac theory as practiced in our case was to build up the entire system and assist Nature to overcome the disease. If you are subject to constant colds, which are the first stage of catarrh take Tanlac it will build up your system.

If you have weak kidneys or sluggish bowels Tanlac will build them up. Tanlac is a mighty builder. It is prepared from herbs, roots and flowers, many of which come from all parts of the world.

Tanlac is being introduced at the Traveman & Son Drug Co., Carlisle, Ky., where its merits are explained by the Tanlac Man.

MRS. MARK BRAYFIELD

BRYSON & KERNS—REAL ESTATE

Here's something ENTIRELY NEW. Never been offered to people before: 183 acres of fine Woodford County land, 7 miles of Versailles on fine main pike, magnificent residence, 8 rooms, 2 splendid tobacco barns, three-fourths of the farm is Fine Blue Grass, owner just sold $2,000 worth of cattle off this farm. It's a money maker RIGHT and a rare chance for any Nicholas County man. Come in and talk the matter over. Owner's reason for selling is the thing that makes you money.

Another GOOD thing is a farm that we call our "BUB ROSA" farm. Won't tell you where it is or what it is unless you are a bona-fide buyer. More than 200 acres, 150 of this splendid tobacco land, two excellent new barns and silo and the price is "WAY-DOWN," less than $75.00 an acre. THIS WEEK ONLY.

RIGHT ON THE MAYSVILLE PIKE—35 acres, 28 poles, 2 story house, good barn, pretty home and We'll Sell It To You Quick. This is a rare opportunity to get a home on the Best Pike In The World.

Still another, and it's Hinkston land also—123 acres, 6 room house, every acre a good acre, barns for 15 acres tobacco, orchard and the very low price of $85 an acre will buy it.

March is coming mighty close and if you want a farm this year better hurry. We've got a BEE-U-TI-FUL list and if you'll just wake up for a minute we can fix you so that you can live happy the rest of your life and have money to throw at the birds. Better come.

How'd you like to buy a Real Good farm of 150 acres on the pike with house and 3 barns and All Good Land for $75 an acre? Just what you've been lookin' for, eh? Thought so, so come on and get it.

Say, Son, do you know of a good farm that will pay TWENTY-FIVE PER CENT on the amount INVESTED IN IT. We DO; and if you want such a farm just drop into our office (right up stairs over Oldham's store) and we'll show you actual figures and leave it to you to say whether it's true or not. Now listen: 251 acres, every acre a good acre, no better producing farm in all this country; barn room for 35 acres tobacco, (3 big barns) the best stock barn you ever saw, fenced blue grass anywhere, no farm in this section is better fenced, and this farm will produce, year by year, TWENTY-FIVE PER CENT ON THE AMOUNT OF MONEY INVESTED. If you don't believe this just COME IN AND FIGURE WITH US. The cost to you will be just a little more than $20,000.

Did we tell you of that FINE 61-ACRE COUNTY FARM, 6 1-2 miles from Paris on the Clintonville pike? It certainly is a beauty, level as a floor, 50 acres in fine blue grass, 118 acres in all, new 2-story house, good barn and outhouses, at junction of two pikes, and, very nice indeed, a natural gas main runs right along the pike within 200 feet of the house. This farm ought to be priced at $150.00. $135.00 will buy it. It belongs in the $200.00 class.

Would you buy 61 acres of pretty good land about 5 miles from Carlisle and which has a good house and barn and other buildings, if you could buy this for $2100.00? If you'd buy a bargain like this we can sell it to you. No other agency has it.

All are carried away with our TWENTY-FIVE PER CENT FARMING talk that matter over; if we have made a mistake in the figures. We do not. BUT THIS ONE WILL. Remember the proposition, 230 acres a little more than $30,000.00, and 25 per cent one year with another to the owner, that's FIVE THOUSAND DOLLARS, and we'll prove it. Come in and argue the proposition.

We have a Great Big Bargain in a house and lot in Carlisle, 5 rooms, Main street, stable, center of city, $2,500 will buy it. Hurry.

A 19 acre farm, on Model Road, good tobacco and barn, blue grass, tobacco land everything, and can be bought RIGHT.

A GOOD SMALL FARM—65 to 70 acres, 2 miles from Carlisle, on good pike and within a few hundred yards of Maysville pike.
