

Ford Leaves Them All In The Rear.

More than twice as many sold in this county for the year than all others. This shows you what people think of the FORD. We have sold out, and over sold—looking for a carload and part of them are sold. Get busy and put in your order while you can get delivery. Foolishness to talk Ford merit here—the world knows it. See the wheel in our show window wrecked in collision with locomotive, and you will see why the Ford has such wonderful service.
