For a Tip-Top Breakfast

New **Post Toasties**

Here's the why: The New Toasties have a delicate, true com flavour—un-matched by any other com flakes. Trial proves.

They are the meat of choicest white Indian Corn—first cooked and seasoned, then rolled into thin wisps and toasted by quick, intense total peats. This new patented process of making raises distinguishing little bubbles on each flake, and brings out their wonderful new Mayour.
