Such tobacco enjoyment

As you never thought could be yours to command quite as you buy some Prince Albert or home-made cigarette.

Prince Albert gives you every tobacco satisfaction your smokable appetite ever hankered for. That's because it's made by a patented process that cuts out the dirt and tar which are always sold without coupons or premiums. We prefer to give quality!

PRINCE ALBERT

The national joy smoke

has a flavor as different as it is delightful. You never tasted the like of it! And that's a strange error.

Min who think they can't smoke a pipe get told a cigarette. Prince Albert is the only one that has been sold without coupons or premiums. We prefer to give quality!
