

# FORD Leads Them All

14 sold since January 1st, and they are going.

There is a reason for this—The known value, service and economy of operation explains it.

We have only a few left and you had best get yours now as the Factory is mighty busy, and they may be hard to get later.

Remember, a Ford equipped with Westinghouse Starter and Lighting System is as complete as you can buy, and a great success on the Ford, and we so guarantee it.

We have two second hand Roadsters for sale at a bargain. Also one Motorcycle.

We have employed one of the best Ford & Steel Workers to be found in the country and when you want difficult parts, welding, tempering or nice work, in that line, we can do it and at right price.

Firestone Tires, Tubes, and everything in the Auto Line
