TONIGHT--THURSDAY

"Madam La Presidente," featuring Anna Held.

FRIDAY--We start one of the best serials we have had in a long time, entitled "The Iron Claw," Pearl White, the most daring girl on the screen today. This serial holds you spell bound. It is full of thrilling incidents and a new escape--the Kind that makes the blood run cold. Don't let it's blood run cold; listen. We will run this picture first and will start earlier, so you will have time to go elsewhere if you wish. Another thing. If you are not fully satisfied with the picture after you have seen it, all you have to do is to go to the ticket office and get your money back. But we sure want you to see this picture. We don't run any vaudeville--nothing but straight, clean pictures.

SATURDAY--Comes a Red Feather, "The Iron Hand."

MONDAY--You don't seem to know that one of the best pictures we show is on Monday nights, so we will present John Barrymore in "Nearly A King."

TUESDAY--Comes one of Cyrus Townsend Brady's productions, "Strife, Son of the Seventh." This suite is a fine one.

STOMACH USUALLY TO BLAME

Human Machine Fails When Digestive and Eliminative Processes Get Out of Order, Virulent Poisons and Waste Instead of Strength-Building Nutriment--Tanlac Expert Talks.

Many ills to which people are so perpetually liable at this time of the year are direct results of a disordered stomach and deranged digestion, according to the Tanlac health expert.

"In a majority of cases those who suffer from sickness have their blame in the stomachs," he said. "We must remember that the strength of the body comes from the digestive system.

Food Restores Power.

"When the supply of nutriment needed to keep the human machine in health is cut off, the body is rendered susceptible to disease and ready for permanent health, vigor and vitality.

"The process of Tanlac is an aid to digestion assimilation and the functions which depend on waste matter has been proclaimed by thousands.

Restores to Normal.

"Tanlac is a vegetable product designed to look after it long sick stomachs and to bring back the digestive system to its normal natural work. This health is restored, building energy, activities and vitality, and giving that feeling of complete and better necessary to the full enjoyment of life to every man and woman.

"With the health and strength that Tanlac gives, people are less subject to disease. Tanlac is sold in Carlisle by Parker Drug Co. and druggists in every town and village.

Tanlac is being introduced in CARLISLE at Parker's Drug Store; NORTH MIDDLETOWN, A. T. Tune; BLUE LICK SPRINGS, The Blue Lick Drug Store; SPEERSVILLE, Mc-Clure, COWAN'S, T. Alexander; SHAWHAN, C. B. HOW THE CANDIDATES VOTED

It Was a Real Job To Deliver Presidents Wilson's Vote.

Princeton, N. J.--It required 16 men, three automobiles, four hours and 44 miles of country roads to deliver President Wilson's vote for himself. The press dent with his undisposed of secret service men and reliance of newspaper correspondents made the trip from the Jew Lawn early in the morning, and although it was only 8 o'clock when the president reached the polls, he was the fifteen voter.

The booth was in a fire engine house. The president's arrival was quickly learned by residents here, and a big crowd gathered about the voting place to cheer. He was given an ovation by Princeton students in passing through the city.

CINCINNATI POST GIVES WILSON 260.

The Cincinnati Post Wednesday evening gave Wilson a total of 260 electoral votes to 236 for Hughes, with Minnesota and Oregon placed as probably for Wilson and California and New Mexico as doubtful.
