

### IF YOU WANT GENUINE SATISFACTION—BUY A FORD

Equipped with Electric Starter you have a complete a machine as money will buy, together with the economical qualities no other possesses.

Note the following Testimonials:

This is to certify that I bought of Harper's Garage an '11 Ford Touring Car equipped with Westinghouse Starter and Lighting System without one particle of trouble. Would not be without it and can conscientiously recommend it.

Just W. Clark, Chief Clerk, Ithaca, N.Y.

I have been using an Electric Starter and Lighting System on my Ford Touring Car for four months and it has perfectly worked as advertised.

The above from people using Electric Starters on their Fords tells better than can be said.

Let us fit you out with one of these.
