

VICTORY WON BY COMMISSIONERS

OF NEGRO IN DECISION MADE BY THE APPELLATE COURT AGAINST THE BOARD.

BOARD ASKED FOR EXTRA LEVY

But Court Says Increased Levy Not Permitted.

Special Provision Commission's request for an extra levy of 10 cents per \$100 of assessed value was denied by the appellate court in a decision handed down yesterday.

The board had asked for the extra levy to cover the cost of the new school building which it had voted to erect.

The court held that the board had no authority to levy an extra tax for the purpose of raising money for the construction of a school building.

The court also held that the board had no authority to increase the rate of the existing school tax.

The court's decision was based on the provisions of the constitution which prohibit the levy of an extra tax for the purpose of raising money for the construction of a school building.

The court also held that the board had no authority to increase the rate of the existing school tax.
