

CHILD LABOR TO BE ENFORCED

WAYS COMMISSIONERS CHEW IN LETTER TO STATE LABOR DEPARTMENT

Ways Commissioners of the State of Pennsylvania have written a letter to the State Labor Department, urging the enforcement of child labor laws. The letter states that the commission is deeply concerned about the conditions of child labor in the state and believes that the present laws are insufficient to protect the children from exploitation. The commission requests that the labor department take immediate action to enforce the existing laws and to consider new legislation to further protect the rights of children.

BOULANIA IN WAR

HUNGARIAN ARMY OFFERS HOSTILITIES TO SERVE AGAIN

The Hungarian army has been ordered to resume hostilities against the Allies in the Balkans. The Hungarian government has announced that it is prepared to accept the terms of the armistice proposed by the Allies, but only on the condition that the Hungarian army be allowed to continue its operations in the region. The Allies have rejected this proposal, and the fighting has resumed. The Hungarian army is now engaged in a series of operations along the border with the Allies, and it is expected that the fighting will continue for some time.

GREECE WILL ACT SOON

WILL BE FIRST TO TAKE UP ARMS AGAINST THE TURKS

Greece is expected to take the first step in the Balkan campaign by attacking the Turkish forces in the region. The Greek government has announced that it is preparing to mobilize its army and to launch an offensive against the Turks. The Allies are supporting this move, and it is expected that the Greek army will be able to make significant gains in the region. The Turkish forces are currently engaged in operations in the Balkans, and the Greek offensive is expected to force them to retreat.

WILSON ASKS LAWS TO CURB STRIKES; CONGRESS TO AID

President Declines Try Would Be Tragic Calamity.

President Woodrow Wilson has urged Congress to pass laws to curb strikes and to protect the rights of employers. He stated that the current situation in the country is a "tragic calamity" and that the government must take action to restore order and stability. The president's message to Congress emphasized the need for legislation that would give employers the right to hire and fire workers without interference from unions. Congress is expected to act on the president's request in the near future.

ROADS WAGON PASSENGERS TO PREPARE FOR STRIKE

Carriers Warn of Possible Stoppage.

Carriers have warned that a strike by wagon drivers could result in the suspension of road services. The carriers have asked the wagon drivers to prepare for the possibility of a strike and to make alternative arrangements for their goods. The wagon drivers have responded that they are prepared to accept the terms of the proposed settlement, but the carriers are not satisfied with the offer. The situation is tense, and it is expected that a strike will occur in the near future.

BORDEN PARTY ALL SAVED

Party Members Resign to Support Wilson.

The Borden party has been dissolved, and its members have resigned to support President Woodrow Wilson. The party had been formed in opposition to Wilson's policies, but its members have decided to support him in his second term. This move is seen as a significant endorsement of Wilson's leadership and policies. The party's dissolution is a reflection of the widespread support for Wilson's administration.

LARGE CROWDS ARE EXPECTED

At the Opening of the Panama Canal.

Large crowds are expected to gather for the opening of the Panama Canal. The event is scheduled for a date in the near future, and it is expected that thousands of people will attend. The opening of the canal is a major event in the world, and it will mark the completion of a project that has taken many years to complete. The crowds are expected to be particularly large in Panama and in other parts of the world.

20 DIE ON U. S. SHIP

CRUISER MEMPHIS DRIVEN ON ROCKS DURING GALE AT SAN DOMINGO.

A U.S. cruiser, the Memphis, was driven on rocks during a gale at San Domingo, resulting in the death of 20 crew members. The ship was caught in a powerful storm and was unable to maneuver. The crew members who died were killed by falling objects and by the rough seas. The ship was eventually salvaged, but the loss of life was a tragedy. The incident has led to a review of the ship's safety and the crew's training.
