SYMBOL
The first of the three that have been mentioned in this column is the symbol of the Under Fire campaign. It is a picture of a man in a top hat and a woman in a long dress, standing together. The man is looking at the woman with a serious expression. The woman is looking down at something in her hands. The background is a simple, light color.

HARVESTING AND CURING RASPBERRY CROP

Raspberries are harvested in the field by hand. The fruit is picked when it is ripe and then taken to a packing house where it is sorted and packed for shipment. The curing process involves drying the raspberries in a well-ventilated room to remove excess moisture and prevent spoilage.
