MOOREFIELD SCENE OF MURDER OF YOUNG MAN

Willie Berry Shot And Instantly Killed By Yorga Finch Apparently Without Cause.

A murder scene was discovered at Moorefield, Ky., on Tuesday, May 15, 1917.

The body of Willie Berry, a young man, was found lying on the ground near a barn.

The victim was a young man, about 20 years of age, who was shot in the chest.

The murderer, Yorga Finch, was seen fleeing the scene of the crime.

The case is being investigated by the local police and the state authorities.

The victim's family is mourning the loss of their only son.

The case is being treated as a murder and the murderer is being sought.

The case is being investigated by the local police and the state authorities.
