All of this land has been in business for about 30 years except about 5 acres now occupied by a beautiful new farm installation in Carlisle. Tract No. 3 Contains 45 acres, most of this is virgin soil. Also will be watered and fenced.

The residence property is situated on the corner of Maple and Mulberry streets in Carlisle, and is a fine two-story of eight rooms, two baths, double back porch and a large basement. The improvements consist of a splendid stable, buggy house, meat house, etc. The top is in the best of repair.
