I wish every man and every woman in Nicholas County, and the surrounding part of Bourbon, to know of the Prescription I used last Sunday night. My sickness revolved around the question of the Savior when the multitude turned from following Him: "Will ye also go away?" Rev. Thomas exclaimed for the first time in the pulpit, "Blind Tiger" is the mortal man. The GOOD evil-a-n WHO PERMITS THIS CONDITION TO EXIST. The man who votes for a wet—WHO SELLS whiskey man is RESPONSIBLE for the blood-guiltiness of the destruction. He is the best hospital for the blind tigers, for the KILLING that follows. "IS THY SERVANT A DOG THAT HE SHOULD DO THIS THING?" Rev. Thomas' text was John 6:66-69.

Bowel Complaints In India.

In a lecture at one of the Indian Missions, from necessity a missionary doctor was obliged to act as physician to the whole of the people who had for miles and hundreds of miles around, and he was often confronted with bowel complaints and believed that if he could find a remedy that would be successful in India with as severe cases as he was meeting with, it would be a boon to humanity. He therefore ordered again for the mission home of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which is the only medicine he used in these severe cases. Obtainable at all druggists.

A GOOD FRIEND.

A good friend stands up you when in need. Carlisle people tell how Doan's Kidney Pills have stood the test. Mr. Curtis endorsed Doan's over eight years ago and again confirms the story. Could you ask for more convincing testimony?

E. L. Curtis, Blacksmith, 240 East Main street, Carlisle, says: "My work calls for constant bending, which affected my kidneys and caused a bad case of backache. My bladder was inflamed and the kidney secretions were too frequent in passage during the day. I borne using Doan's Kidney Pills, procured from Taveman & Son and they gave me quick relief." (Statement given Feb. 12, 1908.)

PERMANENT BENEFIT.

On November 11, 1910, Mr. Curtis said: "I haven't had any need of a kidney medicine since I gave my last statement recommending Doan's Kidney Pills. I consider the benefit permanent."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Curtis has twice publicly recommended.

Hoover Asks Aid In Conserving Food Supply

Washington, June 18, 1917.

Hon. E. Fisher, Editor,

Dear Sir:

I am making a special appeal to the women of the country to help in the work of conserving food for our country's needs. Many of these women have no canal or designed primarily for the purpose of canning fruits and vegetables, but with the help of the proper information, can do much to relieve the situation.

Under date of June 18 there will be issued from the Department a bulletin which I can secure a personal letter from the Secretary of Agriculture, which will give simple directions for the canning of fruits and vegetables in the home without the use of a canal. I am writing you in the hope that you will become known to the women of your town and county for the purpose and with the request that you will write me and have the Value and Way the Way. I will be glad to send you a copy of the bulletin as soon as it is received from the Department, and will be glad to have your co-operation in this matter. Will you kindly let me hear from you at your earliest convenience?

Yours very truly,

(Signed) HERBERT HOOVER.
