IN THE SEASON'S GREETINGS Patriotic Appeal THE LITTLE AMERICAN TUESDAY

NEAL'S PAYMASTER
Kentucky must grow corn. Then plant the corn that is best adapted to your soil and recommended by your best farmers.

Neal's Paymaster SEED CORN
Germination Guaranteed 90 per cent or Better.

White grain, small ear, medium stalk, matures in 110 to 120 days. The Standard two ear corn. It is certain to make a very heavy yield.

One farmer admits he lost \$1,000 because he did not plant Neal's Paymaster in 1917.

After a full investigation, he said: "I am confident I would have made \$500 had I planted Neal's Paymaster in 1917."

You have no time to waste. You must plant the corn in 1918. You must plant Neal's Paymaster in 1918. You must plant Neal's Paymaster in 1918.

THE CARLISLE MERCURY SUPPLEMENT

CREAM SHIPPERS

In doing a job in the Carlisle territory he looks that every milk producer in a Lexington Cream Company, who is in business, takes a leading part in it. It is certain to make a very heavy yield.
