More Than 400 Farmers in Kentucky Alone Are Planting My SEED CORN

Neal's Paymaster Germination Guaranteed 95 per cent or Better

JO DEF COILL OF MOLLOF Neal's Parmaster is the answer to the Government's request to grow more corn. It is sure-cropping, heavy-producing, early naturing. This year's group depends upon the seed you plant. Don't take chances with untested or low testing, unknown va-retities. Be advised by farmers who say that they would have retitled. The produced by the property of the produced particles. The desired by farmers and they plant to Neal Paymaster. On a forty-are field that means 1,000 more profit tor you.

HERE IS NEAL'S PAY-MASTER'S 1917 RECORD: Highest 1917 record for

SOME MORE OF MY Middle Tennessee Experi-ment Station, after test showing 100 per cent ger-mination, bought 30 bush-els of Neal's Paymaster.

growing states.

Neal's Paymaster is the standard two ear corn. White grain, small red cob, medium stalk, matures in 100 to 110 days. Uniformly makes large yield.

Ih only about 1,000 bushels of this incomparable, tested Seed Corn left that I can sell to Kentucky Farmers.
