YANK AVIATOR MAKES MIRACULOUS ESCAPE FROM GERMAN PRISON CAMP

Tentative Says the Pilot to Swiss Soldiers After Days of Tramping Through Enemy Country—Squawking Assistance by Co-ordinated Escape From Prison—Swiss Get Through

St. Louis, Jan. 25.—A dramatic escape from a German prison camp by a young American aviator, who was captured in the days of the fighting in France, has been reported here today.

The aviator, whose name is being withheld, was captured in the days of the fighting in France, and was held in a prison camp in Germany.

He was able to escape from the camp by a series of adventures, and was eventually rescued by Swiss soldiers.

The aviator's escape was a remarkable feat, and has attracted much attention in the United States.

Further details of the aviator's escape and the assistance he received from the Swiss are being reported.

The aviator's escape is a testament to his courage and resourcefulness.

FUTURE PLANS FOR RAILROADS

SHOULD BE REGULATED. COMMERCE COMMISSION SAYS IN ITS ANNUAL REPORT.

Washington, Jan. 25.—The Commerce Commission today issued its annual report, in which it urged that the future plans for the nation's railroads be regulated by the government.

The report states that the railroads have a significant impact on the national economy, and therefore require strict oversight.

The Commerce Commission also discussed the need for improved infrastructure and services for the railroads.

The report highlights the challenges facing the railroads and offers suggestions for their future development.

The Commerce Commission's report is a key document in the ongoing debate about the regulation of the railroads.

The report is expected to influence future legislation and policy regarding the railroads.
