FUEL ORDER NECESSARY, DECLARES PRESIDENT, BACKING UP GARFIELD

Washington, Jan. 18.—The president has ordered that the coal supply be conserved and that the use of coal be restricted to the necessities of life. This order is a direct result of the coal shortage which has been caused by the war. The president has also ordered that the coal supply be conserved and that the use of coal be restricted to the necessities of life. This order is a direct result of the coal shortage which has been caused by the war.

LOCAL GOVERNMENT BY VOTING WOOD

The local government is now being organized by the voters. The voters have elected a new board of directors for the local government. The new board of directors will be responsible for the management of the local government. The voters have also elected a new mayor for the local government. The new mayor will be responsible for the administration of the local government.

Fine Sales At The PEOPLES

Sell your next load of tobacco at the Peoples' Home, where you will always find every selling advantage as good as the best and better than the rest.

We show common and medium crops just as much careful attention as we do the good ones and we work hard for the highest average on every crop made, and in that way we show our appreciation for your trade.
