

Merchant Ships and Yankee Gunners

Thrilling Battles With U-Boats Recalled by Records of the Navy Department

By Ralph Payne

It is a thrilling story, one of the most dramatic and heroic in the history of the United States Navy. It is the story of the merchant ships and the Yankee gunners who fought the U-boat menace in the Atlantic Ocean during the first years of the war.

The story begins in the early months of 1917, when the first U-boat was sighted in the Atlantic. The U-boat was a German submarine, and it was the first of many that would be sent to sea by the German High Seas Fleet.

The U-boat was a small, fast, and powerful vessel. It was able to travel underwater for long periods of time, and it was able to attack merchant ships without warning.

The U-boat was a deadly weapon, and it was the most serious threat to the merchant ships. The U-boat was able to sink merchant ships, and it was able to take the lives of the crew.
