A Great Responsibility.

This responsibility attached to the preparing of a menu for infants and children is undoubtedly greater than that imposed upon the manufacturer of remedies for adults whose system is sufficiently strong to remedy for such as, at least, any injuries done. It is well to observe that Australia is prepared today as it has been for the past 40 years, under the personal supervision of Mrs. Cass H. Fletcher.

What have mothers of infants and children at stake? What are their responsibilities? To whom are they answerable? They are responsible to the child, to the mother, to the community, and to the nation...

Could each mother see the painstaking care with which the prescription for Fletcher's Dainties is prepared; could they recall the innumerable testimonials from grateful mothers, they would never listen to the subtle pleadings and false arguments of those who would offer an imitation, or substitute for the tried and true Fletcher's Dainties.

FRECKLES. There is a cure for freckles. It is a simple and effective treatment that can be done at home. Freckles are caused by too much sun exposure and can be removed with the right cream...

Children Cry For Fletcher's CASTORIA. Extracted from letters by Grateful Parents to Chas. H. Fletcher. G. J. Wright, of Chicago, Ill., says: "I have been using Fletcher's Castoria for my children for many years and it has always been a great help to them..."

These statements were made by a prominent representative of the United States Food Administration. They show the scale of our meat production and the amount that is being sent to our allies...

Are the Packers Profiters?

Plain Facts About the Meat Business. The Federal Trade Commission in its report on the meat business has found that packers are making large profits. This is a concern for consumers and the government...
