Every Family a Fighting Family! The day of tattered patriotism has passed—the time has come to practice it. Your government has officially set Friday, June 28th National War Savings Day. On June 28th every American is asked to enlist in the great "army that stays at home." On that day every loyal American will "sign the pledge" to invest a definite amount in War Savings Stamps each month during 1918. Every American family will then be a fighting family. W. S. S.
