Of Them We Ask Their Lives; Of You Only Money

There is only one way to give to the Red Cross—give till your heart says stop. A little contribution is only a shame to pride. This is to say that contributions of only one dollar, or even of only one nickel, are not desired—and needed. They are \$5 when you can give \$100, or to give \$100 when you can give \$500 to do the heaviest obligation that this war has laid upon you. Remember, this is not a charity—it is a duty.

What Will You Do To Help? Red Cross War Fund May 20-27. By helping the national women and children in the United States, you are helping the national women and children in the United States.
