### Men You Must Know

We wanted to put this ad on the first page of this newspaper—it's important enough to warrant that position; however, we believe that the men of Nicholas will read it, and no matter what page it appears on. What we have to say is this, we can save you money on your winter togs, and it is time to get busy, don't you think?

Here are some articles Goode's to appeal to the man who is practicing economy:

- Overcoats, Sweater Coats, Work Pants, Work Shoes, Coats, Rubber Footwear, Fur Caps, Heavy Gloves, Woolen and Cotton Socks.

HIG LINE OF UNDERWEAR—FLEECE-LINED AND PEEBED IN UNIONS AND SEPARATE GARMENTS.

By making your selections here you are investing in proven values.

**BRAYFIELD, PATTON & DALZELLE**

Also have a nice line of apparel for boys.

**RESTRICTIONS ON COTTON EXPORTS.**

The United States government has announced that it will restrict the export of cotton to the amount of 1,000,000 bales for the year ending September 30, 1919. This restriction is intended to stabilize the cotton market and to prevent a sharp decline in the price of cotton.

**REVENUE DEPARTMENT.**

The revenue department has announced that it will increase the tax on the sale of automobiles to 10 percent. This increase is intended to raise revenue for the government and to encourage the sale of automobiles.

**WINTER WEAR.**

The winter season is upon us, and it is time to get busy with your winter wardrobe. Goode's has a large stock of winter wear, including overcoats, sweater coats, work pants, work shoes, coats, rubber footwear, fur caps, heavy gloves, woolen and cotton socks, and undergarments.
