PUBLIC SALE OF FINE BLUE GRASS LAND ATTRACTIVE CITY PROPERTY FOR SALE PRIVATELY

As Agent for B. W. Wilson, I will sell at public auction SATURDAY, SEPTEMBER 14, 1918

at 10 o'clock, sharp, at Moorefield, 87 1/2 acres of fine blue grass land, well improved with a brick house of 10 rooms, halls, veranda, porches, cellar, cisterns, one good stock barn, two small tobacco barns, garage, and other good outbuildings, old orchard and some young fruit trees.

We will first offer this land in 1 to 5 acre parcels. First lot is one acre facing on the Moorefield and East Union pike, and three 5 acre lots facing on the Carlisle and Sharpshooting road, and three 5 acre parcels facing on the model road and the remainder of the farm, in 10, 20, 40 and 45 acre parcels, and THE ENTIRE FARM AS A WHOLE, best price available.

The village of Moorefield is located in a fine section of Nicholas county, has one bank, two churches, graded school, three stores, one millinery store, public hall, telephone exchange, blacksmith and automobile repair shop, five doctors. This land all has good soil and is in a high state of cultivation. All parcels of land will be sold by the acre and surveyed.

Call 131 THE MAIN STREET GARAGE when you need anything in the way of automobile accessories or supplies. Automobile livery, with careful drivers and clean servicable cars. Don't forget the number—131 ED. B. BOWEN, MANAGER

Certain-teed ROOFING

'Service' and 'Conservation' are written in italics across the war-time record of Certain-teed Roofing.

It has given vitally needed relief for millions of plain, hard-worked, shipyard, factory, and home owners.

It has been a constant of military values in its manufacture—its structure and asphalt are in its principal components, and both are made of war purposes.

It has been a constant of military values in its manufacture—its structure and asphalt are in its principal components, and both are made of war purposes.

Manufacturers of machinery, conserving fuel by women workers, conserving manpower.

It has been a constant of military values in its manufacture—its structure and asphalt are in its principal components, and both are made of war purposes.

For factories, warehouses, stores, hotels, houses, office buildings, farm buildings and out-buildings.

Certain-teed Points—Varnish—Roofing
