With each train will be a detail of trained horse soldiers assigned to the War Department, a corps of Liberty Loan workers, and prominent speakers.

Each train will carry three carloads of trophies and exhibits and a corps for the guard of soldiers, sailors and marines. One of the trains will be in charge of Ralph Stobbe, Cleveland aviator and ace, who brought down seven enemy machines and was wounded seven times. The British, French and Italian exhibits will be on the trains. There will also be anti-air craft guns, French 75 guns, trophies of the battle, aerial bombs such as are dropped on the cities along the firing line to retaliate for the bombardment of Paris and other cities behind the lines, and the celebrated German helmet which has often taken by our boys at Chateau Thierry and elsewhere. A complete series of the decorations awarded for bravery in battle by each of the different nations in the war. The German decorations have been taken from the breasts of captured Huns.

Special arrangements are made to accommodate the school children at the exhibit while the trains will remain at each stop. It is impossible for the trains to reach every hamlet in three weeks but they will be routed so as to come close to almost every one in the country. It will be well worth driving or riding forty miles to see the show.

Eleven in the special train. Each train will be equipped with electric lights which be blown in the canvas cities when the train is running, with ice blowing plants.

War Trophy Trains to Push Liberty Bonds

BOOTY TAKEN FROM HUN WILL BE EXHIBITED IN THIS DISTRICT.

Thousands of residents of the Fourth Federal Reserve District are to have a chance to see the trophies of four weeks to take to their own hands and inspect helmets which have been taken from German fighters, rifles captured by our Yanks and their allies on the battlefields of Europe and other war trophies which have shipped to this country by General Pershing and the army transports of the United States and Italian armies.

The trophies will go forward over the Liberty Loan War Trains which will tour the district stopping for two hours at the principal cities of the district. The Central Liberty Loan Committee at Cleveland and the War Loan Administration are responsible for the tours.

You Can Trust Home Folks With Your Cream

YOU PROBABLY DON'T NEED TO BE INTRODUCED TO US, BUT EVEN IF YOU DO NOT KNOW US PERSONALLY, YOU KNOW SOME OF THE FARMERS WHO ARE BRINGING US THEIR CREAM.

JUST ASK THEM WHAT THEY THINK ABOUT US AND OUR WAY OF DOING BUSINESS. THEY KNOW THAT THEY ARE MAKING MORE MONEY FROM THEIR COWS NOW THAN THEY EVER DID BEFORE. THEY SEE THEIR CREAM WEIGHED AND TESTED. THEY GET THEIR CREAM CHECK IN FULL AND TAKE THEIR CAN BACK HOME WITH THEM. IT IS A SQUARE DEAL ALL AROUND.

IN THESE TIMES YOU OUGHT TO BE SURE THAT EVERY COW IS A MONEY MAKER. IF YOU ARE IN DOUBT, GIVE US A SAMPLE OF MILK. WE WILL TEST IT FOR YOU FREE.
