METROPOLITAN CONTRACTS TO SEND US LECAMACHO

Margaret Mattermore, piano-drama soubrette of the Metropolitan Opera Company, who is to make her first concert engagements after April 15, has been booked to appear at Lexington Opera House, under the auspices of the Lexington Music Teachers' Association. The booking marks the prowess of hosting the Metropolitan Opera Company of manner, it is certainly that one of the most distinguished members has been procured for a spring engagement.

Miss Mattermore's appearance here on last fall by Miss Anna Chandler Goff, Local Manager, Mattermore was on the list but because of the influenza epidemic, all engagements were cancelled and the date was not filled, which will be filled May 1.

The musical sophisticates and press generally are extensive in praise of Mattermore and although she has never been heard in Kentucky, she is not unknown and will receive a cordial welcome by music lovers of Lexington and Kentucky.

The seats will be on sale at the Bell All Ticket Office beginning May 1. Mail Orders are filled now.

EASTER

Easter was first known as resurrection day. And the custom of giving gifts was introduced by the wise men who considered they were the wisest of the creatures of God, and came to the manger to offer the best gifts they had, a red color was in the memory of the blood of Christ which was shed for us. Easter is the day that Christ arose from the dead, and the egg is used at the time when the buds and flowers pop, and it is the month that the earth wind prevails. The Easter egg is the message to the living, give and receive, and you will be happy.
