**"We just mopped 'em up"**  
 "These boys didn't know what treatment. And, poor! So, every mother's son charged on that he save the whole American Army. It was the proudest moment of my life."  
 More than 2,827,000 tins of Velvet Cigarettes were sent to the boys in France—enough, if placed end to end, to reach 2340 miles or nearly from New York to Boston. How much it helped them. How friendly letters tented.  
 Velvet makes friends easily—because, the true friendship, it has been allowed to ripen naturally. For two years, Velvet ages in wooden hogsheads, and when it comes out it is just right—no kick, no bite, no harshness.  
 You and Velvet—begin that friendship now.
