Yes, it's toasted

YOU know how much toasting improves bread. Makes it taste good. Of course—more flavor.

Same with tobacco—especially Kentucky Burley.

Buy yourself a package of Lucky Strike cigarettes. Notice the toasted flavor. Great. Nothing like it. The Real Burley cigarette.

Supervised by The American Tobacco Co.

Every Year Sees An Increased Demand for Postum, from coffee drinkers who realize a change in habit will bring better health.

The Original POSTUM CEREAL is rich and satisfying as a table drink for both young and old.
