HEADQUARTERS

The members of our homely School spent Wednesday of last week at Blue Grass Park, six miles from Lexington on the Richmond pike. We motored in about 10 o'clock a. m. Shortly after arrival John Fortnack, Jr., and Master James Arthur devised ballning suits and plunged into the Elkhorn nearing Blue Grass Pk., badly scaring the life out of us. When the noon hour arrived a sumptuous dinner was served, consisting of by the good women of this vicinity was spread on the tables and everybody enjoyed the fine dinner. If anyone went away hungry it was their own fault. The afternoon was spent in merry-go-round started and by the young and old enjoyed the riding several took flying trips on the scenic railway. Quite a number went to the swimming pool, but we preferred the short spring board diving stunts in deep water, to show the people how high diver one could make. Some strikes a tree and dived off a limb. At four o'clock we had this beautiful pleasure resort all to ourselves, bending our tables with the choicest edibles that could be spread and Mistress Hazel Bosworth Thanks to the auto owners who made it possible for us all to enjoy this day of Grand Outing.
