Lord,Lord, how I hate a crook: Just why a man, in all appearances as much a gentleman as anybody else, would get his own consent to be a contemptible, nasty, despicable crook, is beyond my comprehension. If there is anything in the air above, in the earth beneath, or in the waters of deep seas contemptible than one of these crooks, sneaking, under-mining scoundrels that operate around this country I don't know what it is. It seems to me that the first punishment after a Crook could be appointed for this country and his sole business would be to designate the crooks. I would be a great movement towards good living etc. Again I say people, don't misunderstand me—I am not blaming the preacher or blaming the laymen, but men who take leaning from the Bible and live according to the light of it, should be honest in their business transactions. Otherwise their church professions mean nothing short of blasphemy.

But about farms. Some men selling them! I have a few more EXTRA GOOD BARGAINS, most of them listed to THIS WEEK ONLY. Come and get them.

One good 100-acre farm, 50 acres of land, claimed to have lots of good timber land on it, lots of grass, 2 room house, tobacco barn that will hold 2 crops, 2 good wells of water, now and plenty, for stock and crops on the place and offered at 185 per acre. This farm is out and out.

331 acres of the very finest land in Jackson, the most fertile very level section, the great bargain of the year at $100 per acre. Terms, ONE FIFTH CASH.

196 acres of real good land, one mile from the home of a man afraid, every other barn, good house of 6 rooms or more, good barn, tobacco barn, good fences, plenty water, lots of tobacco land, lots of timber, a bargain at $150 per acre, a little old country hundred dollars per acre buys it. Better hurry.

50 acres of land for rent. Four miles of Carlisle and 4 room house, 2 tobacco barns, $60 per acre cash rent.

Nineteen unimproved land 5½ miles of Carlisle and all in grass and the cheapest tract of land you ever saw at $50 per acre. Don't wait on you about the land, come a-runn get it.

LOOK—Some one has bought and sold land either—for $2,500.00.

60 acres of land, 4 room house, 4 miles from town to Hutchison Station, to be good land and ought to be, dirt cheap at $100 per acre.

80 acres of land 1 mile of Carlisle on good pike, good house, spring water in house, land will nearly all grow, lots in fruits, strawberries, etc. Price $150 per acre. I spoken you'll never buy anything, it's getting late. Here is a snap, 100 acres of land, good field, good improvements, good pike, can be had at $150 per acre. Better hurry.

Level acres of good land 5½ miles of Carlisle, 4 room house, 2 tobacco barns, 2 extra good barns new and good ones and $125 per acre. Some one will get this land for all the market in a few days.

You Can Always Depend on The Tri-State Butter Co.

Every Tri-State patron has been guaranteed for a week. Every Tri-State patron received 65 cents and FREIGHT for every pound butter-fat shipped to us last week, January 20th to 27th, inclusive.

We know of instances where patrons sold to station buyers and customers ogether last week and were quoted a lower price each day, and in many cases were paid 59 cents and 55 cents per pound less than the Tri-State price.

NOW WHAT DO YOU THINK OF THAT

Don't you believe the Tri-State principles are worthy of your support?

The Tri-State has one more year to all. Our price is always HIGH enough to meet any and all competition everywhere. We do not pay a man in one neighborhood one price and a few miles away in another section. The Tri-State price is to Producers as pay another price. The Tri-State price is to Producers ONLY. We deal DIRECT with Producers. Whenever the market changes, the Tri-State patron is mailed a price card quoting a price good for a week.

No Tri-State patron ever had the price cut on his butter-fat during the months of the year. No Tri-State patron ever had cause to question the honesty and sincerity of the Tri-State. No Tri-State patron has ever been approached by Tri-State stations and agents. Every Tri-State patron deals DIRECT with the Company. Every Tri-State patron is absolutely SAFE in shipping, as we guarantee the cream and cans against loss.

If you believe in Tri-State principles, send us your cream. Every pound of butter-fat sold to station buyers and agents leaves your patronage unprofitable.
