A TRIBUTE

Dear Editor of the Mercury,
Carlisle, Ky.

I would love to pay a tribute to the citizens of Carlisle and vicinity for their noble spirit of true friendship and warm Kentucky hospitality which they manifested toward me during my short stay in Carlisle on Saturday, June the fourteenth. I have been in many places in the evangelistic work, and visited many border and country places, but in all of these years I do not remember of ever seen a more commendable people of true sincerity and friendship. I never impromptu open air service than we enjoyed in the courtyard on that memorable day. The pleasant association with those dear people, and the Spiritual uplift we received will be long remembered, and will go down in my life as a bright and happy experience. If it should be God's blessed will I hope to meet the people there in Christian fellowship at the Holy Convocation. Thanking you dear editor, with thanks for your kindness, I am yours in Christ.

R. E. Boggs,
Aberdeen, Ohio, June 28.
