Many Cooks want a Fierce Fire

MOST COOKS want a hot fire. DIXIE GEM COAL will certainly give them what they want. It turns to a light red ash, and with its high heat keeps the flue free from soot. Try one load and you'll always call for

DIXIE GEM.

When the Home is the Best Place of All

The Sterling

of happiness are the homes where MUSIC reigns. Lives of hosts of people are today becoming finer and brighter lives through the mellowing influence of their Player-Pianos. There are three cardinal requirements

which make the good player---Tone Quality, Power and Ease of Operation. These are the three real cardinal requirements in the Player which takes rank as a real musical instrument

You will find these requirements in the following makes that have been tried and proven by your neighbors and friends.
