WHERE VOLCANO KILLED THOUSANDS OF PEOPLE

SEEING BATTLEFIELDS AND RUINED AREAS OF FRANCE FOR FIRST TIME

Writers Describe Sensations Experienced at First Sight of Devastated Land
Sight of the French People—Abandoned War Material on All Sides.

By C. C. CLARK.
The first time I saw the ruins of France...

As I walked through the ruins of France...

The ruins of France were a sight to behold...

The devastation was everywhere...

The people of France were suffering...

The war had left a trail of destruction...
