

NOW IS YOUR OPPORTUNITY

To Get That FORD You Have So Long Contemplated

WE NOW HAVE THEM ON OUR FLOOR, WHERE YOU CAN SELECT YOUR CAR AND DRIVE IT HOME

A few weeks ago Mr. Nichols, Manager of the Cincinnati Branch, made a trip through the Tobacco District of Kentucky, and seeing the wonderful prosperity, and demand for Ford Cars, entreated the Home Office at Detroit to give him extra Cars for this territory, with the result that they diverted from the Columbus Branch to this territory several hundred Cars.

Now that is our gain in this is a loss to the people of the Columbus Branch, as we well remember when Cincinnati was ordered to ship Cars to other territory, while we stood by and begged for them.

This state of affairs will last but a very few days, and just as soon as this Columbus order is exhausted Cars will be at a premium, and as hard to secure as ever. Take advantage of the opportunity by coming in at once, selecting yours and drive it home.

Our supply of Tires, Accessories and everything required for the Auto is more complete now than ever before and we make one and the same price to all. Also our shop is complete in every detail. Ask about our easy terms to buyers of Automobiles. Respectfully,
