## YOU MEN BACK FROM SERVICE

Now that you are home again you'll soon get into the swing of things in this old town. Friends-associations-business will be taken up where they were left off when you went into O. D.

Of course you will be going to find some changes here and there, mostly for the better. That's Carlisle's pride—doing things for the better.

Better clothes here than ever before. We've been at it a half century and we don't know when they ever looked as good as those here now. They are the sort of clothes you will be glad to renew acquaintance with.
