"Liquid Sunlight"

Like real liquid sunlight is Hanna's Green Seal Paint in the way it banishes darkness, dirt and dinginess, and brightens every surface it comes in contact with. It makes homes look cleaner and more attractive, it preserves them from decay, and when one home in the neighborhood is "Green Seal-ed" all those surrounding it are certain to catch the same spirit of "Clean Up and Paint Up."

Velvet

THE SMOOTHEST SMOKING TOBACCO

WHEN I smoke, I want my tobacco cured by Mother Nature—not by Mother-in-law Process.

Velvet Joe.

There is nothing harsh in Nature's methods—no stunts, no "hurry-up."

Her quiet, patient way with VELVET during its two years ageing in wooden hogsheads, brings out all the kindly comfort of fine Kentucky Burley leaf.

The quicker, less expensive methods cannot possibly produce the fragrance, coolness and downright pipe qualities of VELVET, cured in Nature's way.

Today it is your privilege to enjoy, with hundreds of thousands of other smokers, this mild and friendly VELVET tobacco.

Velvet

THE SMOOTHEST SMOKING TOBACCO

Smoke over your problems. A little drawin' on a fren'ly pipe often saves a heap of drawin' on a bank account.

Velvet Joe.

Velvet is a friendly tobacco in the truest sense, because, like friendship, it has been allowed to ripen naturally—nothing forced or unnatural.

There are "hurry up" ways with tobacco but only patient ageing (two years in wooden hogsheads) can bring out the mellowness that sets Velvet apart.

You know what mellowness is—now think of a good friend who is never harsh to you.

There you have the big thing about Velvet—mellow friendliness.

You and Velvet—begin your friendship today.
