LONGVIEW STOCK Farm

Of 150 acres on the government improved Maysville pike 2 1-2 miles north of Mt. Sterling, Ky., at public auction on

TUESDAY NOV. 18th

At 2:30 o'clock, P.M., on the premises in two tracts, one of 70 acres with old improvements and one of 80 acres with new improvements.

TRACT NO. 1, has upon it a six room frame residence, splendid stock barn, all necessary outbuildings, cistern at residence and barn, small orchard, and is well watered and fenced. The entire tract is practically all tobacco land, being in old bluegrass sod, timothy and clover. This tract has been nursed and taken care of for thirty years and is fine tobacco land.

TRACT NO. 2, 80 acres, contains one of the most elegant and substantial residences in Montgomery county. Two-story brick with eleven rooms built last fall. Modern in every particular, attractive in design and built to meet the most fastidious taste. Cellar under the entire house. Heated by furnace and lighted by electricity. Spacious hall, reception parlor and delightful library and living rooms. Baths, servant's quarters in yard. All necessary outbuildings. Good cistern at back door. Splendid combined stock and tobacco barn with cistern. Splendid silo. Soil, deep and rich. Land fresh and full of fertility. None better. All bluegrass sod, timothy and clover, except 15 acres seeded to rye. An ideal home. Splendid community. Must be seen to be appreciated. At same time and place will sell 42 black faced ewes and 2 southdown bucks. Terms of the sale will be announced at the sale and will be liberal. Let us show you this farm. Seldom such an opportunity as this is offered the public. Reason for selling owner is in bad health.

OBITUARY

In loving remembrance of Allene McKittrick, who departed her life, Dec. 27, 1918, aged 17 years, daughter of Mr. and Mrs. Willie Watkins, of Milltown. She is survived by her husband, father and mother, five sisters and two brothers, and a host of relatives and friends. She departed from us in her days of greatest usefulness, but she died in the faith united with the Christian church early in life. She was a devoted wife, dutiful daughter, a loving sister and true friend.

Her quality for her loved ones yet her friends will remember her by friendship, her welcome smile, generous hospitality and kindness. She was a friend to every one she met. She bore her suffering patiently hoping she might get well so she could see a few more years with her loved ones, but she said she was willing and ready to go. She placed herself in the hands of Him who knoweth best. We cannot understand why she was taken so early in life, but we know God doeth all things well, so with hearts bowed down we will say, Thy will be done. In faith and joy. Thy will be done. It can only be explained by Him.

Farewell dear, but not forever.
There will be a glorious dawn,
We shall meet to part, no never
On the resurrection morn.
Dear one, thou art not sleeping,
In the cold and silent tomb
Thou shalt have a glorious awakening
When the blessed Lord doth come.

Her cousin
Nannie Lee Smoot.

OBITUARY

In memory of Silvia Ratliff Eden, who was drowned Nov. 2, 1919, at Lamberta Ford, beyond East Union. She is survived by a loving husband, father namely Mr. and Mrs. John A. Ratliff, three brothers, and a host of loving ones and friends. It is useless to say: Do not mourn for O! Friend! How can we help it? We will miss Silvia's sweet smile which we all were so familiar with. Whole we are left to mourn her loss, we know she is not dead but at sweet rest think he is amongst a more happy circle. But oh, we miss him. He was a splendid young man just in the prime of youth, he was liked by all who knew him. Why this splendid young man was taken from us we cannot tell, but he died in his faithful little horse "Dale" and together. He had confidence in her, he thought she would take him thru. We hope to meet Silvia on that happy shore where we will part no more and enjoy our once happy band together.

The angry waves enfolded him and took him from our sight,
Long will our memory ever cling to his lifeore so sweet and bright;
He is gone but not forgotten,
We miss him at home and table,
Sweetest thots will ever linger round the grave where he does rest
In the grave yard sweetly sleeping
Where the flowers gently wave,
Lies the one I loved so dearly, In his lonely silent grave.

Written by one who sadly misses him.

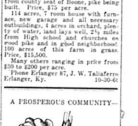
A PROSPEROUS COMMUNITY—



is a community in which the citizens help each other in all the affairs of life. They patronize each other in a commercial way, help to market their crops, and encourage social, moral and intellectual advancement by friendly advice to those who are struggling to get a start in business. The more business there is in a community, the more chance each individual citizen has to prosper. Try to patronize home industry and when we if it won't pay you in good money and best of all in the feeling that you have made a friend and helped your neighbor to prosper.

We manufacture "White Rose" flour. There is none better. We are now booking orders for wheat to be taken in your town and county to support your public schools and keep your roads in repair. We feel we are entitled to your patronage. May we hear it?

OVERLAND 4 has been put through the most thorough and severe test possible.

250,000 miles of mountain trails, desert sand, heat, cold, mud and dust, demonstrated the quality of every part of the car long before we began manufacturing.

This remarkable test showed conclusively that Three-Point Cantilever Springs, exclusive with Overland, are the greatest improvement in riding comfort since the introduction of pneumatic tires.

They protect the car from road shocks and prolong the life of every part.

They enable the wheels to hold better to the road. They give greater comfort under all road conditions.

They do away almost entirely with side sway and rebound which twist and rack the car.

Diagonal attachment of the Three-Point Springs at both ends of a 130-inch Springbase gives the steadiness and smooth riding of the heavy car of long wheelbase.

Equipment is complete from Auto-Lite Starting and Lighting System to Marshall Divan Spring Upholstery.

Come in and see this car. Ask for Booklet. Overland 4 Touring, $845; Roadster, $845; Coupe, $1325; Sedan, $1375; Prices f. o. b. Toledo.

THE UNIVERSAL CAR

Most of the Gas Companies throughout the country use fleets of Ford Runabouts. The same is true of other big corporations. The reasons are very practical. The Ford Runabout is the most economical solution of quick transportation from manufacturer to retailer. For soliciting business, for the Collector, for the Doctor, Contractor, Builder, and almost every other line of business activity, the Ford Runabout is really a necessity. We solicit your motor necessary business. We can serve you, we believe, to your best advantage. And bring your Ford cars to us for replacements and repairs because you will get the skilled workman and the genuine Ford parts.

VOL. LII CARLISLE, NICHOLAS COUNTY, KENTUCKY, THURSDAY, NOVEMBER 20, 1919. NUMBER 47

COMMUNITY SHOCKED BY DEATH OF JUDGE MITCHELL

Judge James Mitchell died at his home in this city early last Thursday morning, following a three weeks' illness with chronic pneumonia. He was not wholly unexpected as his condition had been considered serious from the start and relatives had been notified several days before the final summons came. His death is a loss to his many friends to whom he had endeared himself by his acts of generosity, his pleasing personality and his sterling worth.

Judge Mitchell was born near Milltown, this county, December 27, 1860, and resided in that vicinity all of his life until 1912, when he moved with his family to this city. He was a son of Mr. and Mrs. George Mitchell, his father having been a native of Ireland. He was married January 24, 1894 to Miss Margaret Watkins, who together with three sons, James H. Mitchell, Jr., of Covington, Thomas Mitchell, of Milltown, and Joseph Mitchell, of Carlisle, and two daughters, Samuel and Harriet Mitchell, of Milltown survive him. One son, Henry, died last year during the influenza epidemic here.

Mr. Mitchell was one of the most prominent politicians of this county, and was identified with the Democratic party all his life. He was elected Deputy Sheriff in 1905, and subsequently filled that office until 1909. He was elected County Judge, and was defeated for reelection in 1913 by a few votes at the last county election before the adoption of the present system of road construction. He was a member of the Christian Church for many years.

There was perhaps no more widely known man in the county than Judge Mitchell. The high esteem in which he was held by those who knew him was evidenced by the large crowd that attended the funeral from the late home and also in his body. The funeral was held at the late residence Saturday afternoon, conducted by Rev. W. P. Crouch. The local Masonic order had charge of the ceremonies. Burial took place in the Carlisle cemetery.

CARLISLE MILLER BY AUTOMOBILE

Lexington, Ky., Nov. 14—While returning home from school about 12:45 o'clock today, Elizabeth Gosney, 7-year-old daughter of Harry Gosney, Hill, of Main Station, was struck and killed by an automobile driven by Samuel B. Walton. The accident occurred about mile east of Lexington.

The little girl attended school near the Country Club and rode back and forth on the interurban car. She stepped off the car at Sing 29 and was attempting to cross the pike, ran directly in front of Mr. Walton's machine. The accident was unavoidable, Mr. Walton said.

Mr. Walton visited the child in Lexington, but she died before medical aid could reach her.

This was the little girl's first year in school. Her father is at Paris, and she has been making her home with her grandparents, Mr. and Mrs. J. D. Hill, at Muir. Her mother is dead.

Mr. Walton is an exceedingly careful driver. He is almost prostrated by the accident.

The mother, Mrs. Hill died last Christmas day, at Maxine Hospital here.

1,500 CASES OF WHISKY SPILLED

Lawrenceburg, Ky., Nov. 14—A large warehouse of the Kentucky Distilleries & Warehouse Co. burned near this city and 1,500 cases of whisky were destroyed, loss is over $100,000, which is partly covered by insurance.

LIGHT COMPANY ORDERED TO GIVE REPORT TO COUNCIL

Mayor Alois Peters last week issued an order to the Carlisle Electric Light & Power Co. to present their annual report to the City Council, which will be Monday, December 1. It is proposed at this time to decrease the present price being charged by the company.

In 1914 the Carlisle Electric Light & Power Co. secured a franchise or franchises to furnish current to all citizens of Carlisle at 10 cents per kilowatt hour, for a period of twenty years. In September, 1917, the manager of the light plant appeared before the City Council and asked that the rate be increased to 12 cents per kilowatt hour rate from 10 to 12 cents per kilowatt hour, claiming that the Company was operating at a loss, owing to the increased price of machinery, supplies and labor. The Council refused this request, to the effect that the Company was under obligation that the Light Company present a statement of operating expenses quarterly, and in case the business was found to produce the extra rate at any time upon the basis of 10 cents per kilowatt hour, the rate was to be reduced to the 10 cents basis. This was finally done in 1911, and it is hoped that the statement will show a decrease in operating expenses so the old rate may be resumed.

MRS. ELIZABETH GLASCOCK DIES IN MAYSVILLE

Mrs. Elizabeth Glascock, wife of Charles A. Glascock, a well-to-do farmer of Mason county, died Thursday afternoon at 3 o'clock, after a short illness. The deceased was born in Bath county, Ky., in 1842, and spent 53 years of her life in that county.

She was the wife of the late A. Bascom Glascock, who died about a year ago. Mrs. Elizabeth Glascock was a woman of that unselfish type who passed away leaving a host of others about her own every trait, and who endeared the friendship of acquaintances in this section of the county, which she had lived for so many years.

Mrs. Glascock is survived by two children, Mr. C. A. Glascock, of this county, and Mrs. Leslie Brand, of this city, and several grandchildren.

The funeral services were held from the residence Sunday afternoon at 2 o'clock, Rev. Jos. W. Porter, pastor of the Baptist church, Lexington, officiating. Burial was in the Maysville cemetery.—Maysville Independent.

Mrs. Glascock was a sister of Mrs. Ellen Hall, of this city, and Mrs. Lee Letton, of Paris, and is an aunt of the Misses Maynie and Anna Gore and Mrs. Satterfield, of near Miller Station.

SOPER FARM SOLD

The old farm home of John L. Soper two miles from the Rock changed hands Saturday at an average price of $125 per acre for the three tracts. Part 1 was sold to Mr. Ferd Stewart Urmston for $237 per acre, part 2 to Mr. Ed Hall at $125 per acre, part 3 to Mr. Ferd Urmston at $125 per acre and tract No 3 to H. S. Caywood for $125 per acre. Tract 1 contains 25 acres. The sale was conducted by Harris & Speakes assisted in the sale with Col. George D. Speakes as auctioneer.

LARGE GROUND HOG

Harlan Beckett's two dogs' "treed" a ground hog which had its home in quarters under the floor of a building. A fierce fight ensued, in which the ground hog was hit several times with a stick in the hands of Beckett's wife and with a rifle, and finally "gave up the ghost" after the dogs had been separated. It was a fierce, and unusually large size, weighing fully 20 pounds.—Mt. Olivet Tribune-Democrat.

HOLDING HANDS

Dick and I were both in love with Mary Ann Brown, and we were both out one night to see her. We sat down in the home where we were to have an oyster supper, and Mary Ann went through for the entire party to hear. Are you holding hands with Dick in my mud?" Red with embarrassment, I let go of Dick's hand.

20,000,000 POUNDS MORE TOBACCO THIS YEAR THAN LAST

Louisville, Ky. November 15, 1919—Kentucky's 1919 tobacco crop is estimated at 401,000,000 pounds, compared with 381,000,000 pounds last year, according to the November Government crop report for Kentucky issued here today by H. F. Bryant, field agent the U. S. Bureau of Crop Estimates. Minor crops reported in Kentucky are: sweet potatoes 1,200,000 bushels, against 1,020,000 bushels; pears 120,000 bushels, clover seed 40,000 bushels and sorghum sirup 2,541,000 gallons. Last year Kentucky's production of these crops was: tobacco 381,000,000 pounds; sweet potatoes 1,020,000 bushels; pears 120,000 bushels, clover seed 34,000 bushels, and sorghum sirup 2,626,000 gallons.

The increase in tobacco production this year is due to the increase in the acreage and low yield per acre, in the increased acreage, the average yield per acre being only 833 pounds compared to 900 last year. Quality is reported as 81 per cent compared to 86 last year.

United States tobacco crop this year is estimated at 1,916,155,000 compared to 1,340,019,000 pounds last year.

It is estimated that approximately 75 per cent of Kentucky's acreage in corn was put into silos this season, and that the yield per acre will be about 6 tons, due to drouth. There was practically no frost damage, but there has been some reported being damaged by the recent rainy weather. The average yield per acre this year in Kentucky is 23.5 bushels compared to 36 bushels last year and a 10 year average of 27.7 bushels.

MELODRAMA!

Quite a dramatic scene was staged in the Lyric theatre here Friday afternoon when Miss Lucy Jones, 18-year-old cashier and J. W. Browning, Only a limited number of specials were on sale, contained by this rare lot of pogilistic talent. Miss Jones is a former resident of this city.

Thompson is a former resident of this city. He is more quite well known in police circles here.

CARLESS IN CONFESSING

An Indiana town is upset over a "holy roller" meeting, and trouble is expected. Two men were converted and began confessing their sins. One man admitted arson, four stealing and poisoning a mule. Another confessed that he had begun to beat his wife and two years ago had stolen his father's watch. Then he got converted and began confessing that he had stabbed a deacon. The deacon recovered.

SUPER FARM SOLD

The Super farm on Route 1, Soper two miles from the Rock changed hands Saturday at an average price of $125 per acre for the three tracts. Part 1 was sold to Mr. Ferd Stewart Urmston for $237 per acre, part 2 to Mr. Ed Hall at $125 per acre, part 3 to Mr. Ferd Urmston at $125 per acre and tract No 3 to H. S. Caywood for $125 per acre. MILLER ANDERSON APPOINTED COUNTY ROAD ENGINEER.

At a meeting of the Fiscal Court held in this city last Saturday Miller Anderson was appointed Road Engineer of Nicholas County, at a salary of $200.00 per month. This is an increase of $25 per month over the salaries of past Road Engineers. Anderson has been in the Mt. Sterling, comes highly recommended and has had considerable experience in the service from Nevada to Nicholas county. His appointment takes effect December 15, 1919, till December 15, 1921.

The Fiscal Court also let contracts for the building of 4 miles of gravel roads in the county, as follows: Carlisle to Kiddville, 2 miles; Carlisle to Headquarters, 1 mile; Carlisle to Milltown, 1 mile. The Kiddville road was let to Ben Hall, the Headquarters road to Ben Hall and the Milltown road to Ben Hall. The Kiddville road is to be completed by July 1, 1920, and the other two roads by December 1, 1920. The Kiddville road is to be 18 feet wide and the other two roads 16 feet wide. The Kiddville road is to be built of limestone gravel and the other two roads of sandstone gravel. The Kiddville road will cost $2,000 per mile and the other two roads $1,500 per mile.

HUNDREDS OF RABBITS SLAIN LAST SATURDAY

The hunting season opened in Kentucky last Saturday and hundreds of rabbits and birds were slain in Nicholas county. The rabbit population is more plentiful than has been known in recent years.

The large amount of game this year is naturally attributed to the fact that there was very little hunting last year, practically all of the young men of the county being in the army or navy service, and the one who stayed at home obeyed the Government's call to conserve ammunition.

There was a rush to late applicants for hunting licenses on the morning of the opening and the Clerk was busy throughout the day. Up until this morning there had been issued a total of 1801 licenses.

No casualties were reported in this county.

TELLS WOMAN HOW RINGS WERE LOST TWO YEARS AGO

Many of the Mercury readers no doubt have been mystified by Alexander, the man who sees all and knows all, who has been writing the letters to the Lexington Herald and the Lexington Opera House, that are more forcibly when they affect people of our personal knowledge. Last fall it would be of interest to our readers to know that Alexander was Mr. Hagan, of Shelbyville, who is well known here, where she is often a visitor to the home of relatives in the county. Mr. Rose and Mrs. G. F. Hagan, of this city, have been visiting relatives at Centralia, Wash., during the past summer, and while there Mrs. Rose was the fortunate one of the two who were killed and three others wounded. Mrs. Hagan lost two beautiful diamond rings. She, of course like all the rest of the passengers, was thrown from the car and rendered unconscious for a very curious, that she had long been a victim of the "dope" habit, and on her home during house cleaning, and after she had had a spell of sickness, she was working for her at this time and that she was under the influence of dope at the time she was now in a sanitarium in a ring and that if she desired to recover the rings she could interview the negro boy, who was serving a term in the penitentiary at Frankfort, but that he did not know where the rings were. Mrs. Hagan has since had interviews with Mrs. Ingles says that his description of the circumstances, seemingly so true to absolutely true and that the rings are in the possession of the negro penitentiary. While she has no definite information as to where they are, she believes she is able to account for their disappearance.

REPORT OF BRAMBLETT SALE

At the stock and crop sale conducted Thursday by C. U. Bramblett, near Millersburg, the following prices were reported by Auctioneer Geo. D. Speakes: 1,000 to 1,500 lb steers $11 to $15 per head; one sow and pigs $50; one sow and pigs $40; 2 sows and pigs $75; 1 sow and pigs $40; 1 single mule, $161; one jack, $405; one jack, $400; one jack, $300; one Percheron stallion, $215; baled straw brought from $2 to $3.50 per ton; and chickens, 7c to the each.

PLEASED WITH ZEPHYR LYCEUM NUMBER

The Carlisle Parent-Teacher Association officials were highly pleased with the first number of the Lyceum course, the Zephyr Concert Company, which was here last Thursday night, and instructor. Mr. Gorst's very neat to whipped up an interest, especially the song lirnik. No one could hear the Zephyr Concert Company without a touch of birds and life in general.

The Parent-Teacher Association is interested at the first number of the course are not encouraging to those who have been working over the matter toward making this course a success. The association has signed a contract for the entire course, and it would reduce the price to those who attend if a large number would attend the first number as increase in price.

The matter was left to the law of supply and demand it would soon be found that the price would be raised. Mr. Speakes had a talk with Mr. Gorst with William A. Glasgow, attorney for the Redpath Lyceum Bureau, and Chairman of the Lyceum Bureau Board. He charged that there had been trouble over the contract and declared that Western beat eager to get the contract, and that it was from the market. He also asserted that several thousand tons of hay would be held in Nicholas county, to be sold in New York by "speculators."

Treasurer W. P. Glasgow at to the Parent-Teacher Association that he was in the Philippines, the wife of James Bond Dement and Chaplain Rhoda A. Cox, both of New York.

Mrs. Dement, of Iowa, one of the leaders of farm organizations in the state, presided at the meeting in the Louisville meeting, where he was one of the speakers. Mrs. Dement has returned with him at his guest to two or three days.

CARLISLE TOBACCO AVERAGES OVER $1.00 PER POUND

The Burlington, N. C., News of November 12th, has the following in regard to the tobacco market in that town:

"Last Thursday Ed Blanchard, of near Glen Raven, brought 300 pounds of tobacco to the Burlington market and carried away in exchange for it $318.00. The entire load averaged $106 and one lot went to the high mark of $1.08. Mr. Blanchard had in a load the same day and for the load 1,250 pounds got $968.50. All the sales that day were in progress according to the grades."

Mr. Blanchard is that city reports their average for the week as $60 per hundred. The Burlington market has been advancing on the Carolina market from the start of the season, and it is claimed this year that the record of high prices for all time will be established.

This will be good news for the farmers of this county, for prices on the tobacco on the Southern market, in all probability will be equal to the local market will see some of the high prices obtained per ton for tobacco.

200 JAILED IN L. W. W. ROUND-UP AT CENTRALIA

Seattle, Wash., Nov. 14 (Associated Press)—Two hundred members of the Industrial Workers of the World, were held in various jails throughout the Pacific Northwest today as the result of a round-up following the shooting at Centralia, Wash., during the Armistice Day parade. Four members of the I. W. W. were killed and three others wounded.

Ben H. Gitlow, one of the members of the I. W. W. were held in jails at Tacoma, Wash., in connection with the Centralia shooting when he was taken to the State Hospital at Morton, Wash., reports that an armed force of I. W. W. members attempted to release him.

SUGAR REFINER SAYS THERE'S NO SHORTAGE

Federal control of sugar prices was opposed before the Senate Agriculture committee by Arthur W. Page, a New York refiner, who blamed government regulation for the existing sugar shortage.

There is no shortage, he said, although the world's crop is short. One million tons of the 1919 crop will be available January 1, he said, ready to relieve the present situation.

Government control of sugar prices, he declared, cannot end it would reduce the price to the consumer, but it would be a first-class encouragement to increase in price.

The matter was left to the law of supply and demand it would soon be found that the price would be raised. Mr. Speakes had a talk with Mr. Gorst with William A. Glasgow, attorney for the Redpath Lyceum Bureau, and Chairman of the Lyceum Bureau Board. He charged that there had been trouble over the contract and declared that Western beat eager to get the contract, and that it was from the market. He also asserted that several thousand tons of hay would be held in Nicholas county, to be sold in New York by "speculators."

Treasurer W. P. Glasgow at to the Parent-Teacher Association that he was in the Philippines, the wife of James Bond Dement and Chaplain Rhoda A. Cox, both of New York.

Mrs. Dement, of Iowa, one of the leaders of farm organizations in the state, presided at the meeting in the Louisville meeting, where he was one of the speakers. Mrs. Dement has returned with him at his guest to two or three days.

ADDITIONAL RULINGS OF REINSTATEMENT

A series of decisions issued by the director of the Bureau of War Risk Insurance with the approval of the Secretary of the Treasury, liberalizing the rules governing the reinstatement of lapsed or canceled insurance, has been announced by Director Cheney. No. 47, allowing eighteen months from the date of discharge for reinstatement upon payment of only two monthly premiums, instead of the three months now required, if the applications are received. This decision is liberalized, however, by a new provision that one out of the service are allowed eighteen months from the date of discharge or at the expiration of the grace period, which-ever is the later date, if accompanied by a statement as to health and an application for insurance.

After the three months following the month in which discharge, or the month in the service to the effect that he is in as good health as at the date of discharge or at the expiration of the grace period, which-ever is the later date, if accompanied together with a written application for reinstatement and the first monthly premium, unless the reasons for failure to tender the premium be waived.

Another liberalizing system made in the State, and some of the colleges would do well to keep them mind in a score.

FARMERS OF 31 KENTUCKY COUNTIES HOLD MEETING

Dean Thomas Cooper, of the Kentucky State University, has been appointed by agricultural leaders in the state to preside at a meeting of farmers to be held in Louisville on November 24, to organize a state-wide farmers' co-operation for the purpose of marketing the tobacco crop and for the organization. Another is planned for December 1, at which time permanent organization will be completed.

Between 200 and 300 farmers representing 31 counties of Kentucky were present.

The organization will be non-political, non-sectarian and non-secret, and will be conducted on a business basis. Plans for full attorney to advise the farmers of Kentucky along this line have been in fact since last March, when a meeting was held in New York by representatives of the tobacco growing states.

It is reported that the reinstatement do not protect a man until he actually receives his policy. He must be in as good health as he was at the time of his application for reinstatement, or back to secure reinstatement.

Don't be a chronic grumbler. Do it right.
