The national cigarette

No one argues about it, making chin music in a minor key! If you get the jumpy-pipe or cigarette man's smoke covered in your nostrils, slip it a few liberal loads of Prince Albert!

Prince Albert can't bite your tongue or paralyze your throat! You go as far as you like according to your smoke! Our exclusive patented process cuts out bits and pieces!

Every red pipe, old or new, handsome pattern and half-smoked pipe, will give you the maximum pleasure and satisfaction from your Prince Albert cigarettes. You get the tobacco that's been selected by the best smokers in the world.
