CHANDLER SIX Famous For Its Marvelous Motor

Everybody Likes The Chandler Dispatch

The popularity of the Chandler Dispatch, which has gone by leaps and bounds and reaches to every corner of the world, is based not only on the excellence of its trim design and its beautiful Rainbow Blue finish, but is due quite as much to the standard Chandler chassis upon which it is mounted.

The Dispatch attracts young folks and older ones alike. It is a great favorite with young women. All love to drive it, and the charm of its beauty gives them additional satisfaction in its ownership.

The Chandler Dispatch seats four persons with utmost comfort. The driver's position is perfect. The cushions are downy, well filled and trimmed in the best of genuine hand-stitched leather.

With its new and flexible power, its ease of driving and full comfort, it is just as attractive as all Chandler models, every body likes it.
