Beyond

Very often we take a trip and look away into the land of business. Every time we sell a suit, we are looking further than the edge of the cash drawer; we try to send every man out of our store—a satisfied customer.

We expect to sell him another suit. When we sell him a suit, we sell him a suit that has value in it and will give him a dollar's worth of service and satisfaction for every dollar he puts down. He likes it, he wants another, he will come back to us for another. Come see us and be one of our Satisfied Customers.
