3,000 ACRES NICHOLAS LAND WEED FORCED UNDER COST GOAL SITUATION ALARMING MUCH PLANTING BY BERMUDS MAY BE IN STATE GASTON GREYLOCK WINNER

LEASD BY CHAS. O. BATH
 Louis Blevins, Mayor of Nicholas County, and Charles O. Bath, of Lexington, Ky., have secured the lease of 3,000 acres of land in Nicholas County, Ky., for the purpose of planting Bermuda grass. The lease was granted by the Board of Commissioners of Nicholas County, Ky., on May 15, 1920.

The land is situated in the northern part of the county, and is bounded on the north by the Kentucky River, on the east by the Nicholas River, on the south by the Kentucky River, and on the west by the Nicholas River.

The land is to be planted with Bermuda grass, and the planting is to be completed by the end of the year. The grass is to be used for the purpose of grazing and for the purpose of soil improvement.

The lease was granted for a term of five years, and the rent is to be paid in advance. The rent is to be \$100 per acre per year.
